

DLAB

EDUCATING THE
NEXT GENERATION
OF DIGITAL
INNOVATORS

The DLab is a digital initiative of TU Dortmund that offers the interdisciplinary certificate in **Digital Technology Management**, which will equip you with the skills you need to succeed in an ever-changing digital environment.

WHO WE ARE & WHAT WE DO

10 professors

6 faculties

9+ companies

We **educate 25 select students** in digital technology management by

- ✓ promoting interdisciplinary exchange
- ✓ stimulating future-oriented thinking
- ✓ enabling digital innovations
- ✓ encouraging entrepreneurial interest

Successfully participating students are granted the **Certificate in Digital Technology Management**

WHAT'S IN IT FOR YOU & WHAT YOU NEED TO

Participating students will

- ✓ receive a **certificate** on top of their ordinary degree
- ✓ gain **practical skills** and first-hand **industry insights**
- ✓ have access to a **top class industry network**

To receive the certificate students have to

- ✓ **apply** online (1st round closes February, 20th)
- ✓ **participate in courses and workshops** from different faculties and industry partners over three semesters
- ✓ **engage** in the development of the initiative
