Call for Papers & Theses

SEC-API.io Award 2024

The Center for Finance, Risk & Resource Management (FiRRM) proudly announces a paper and thesis award, granted by SEC-API.io, a global platform revolutionizing access to SEC filings and financial data.

Price Money
- *Best Paper:* $1,500
- *Best Master's Thesis or Graduate Project*: $500 for the student, $500 for the supervisor
- *Best Bachelor's Thesis or Undergraduate Project*: $300 for the student, $300 for the supervisor

Eligibility

Best Paper Award
- Open to everyone, including PhD students, post-docs, master's, and bachelor's students.
- Submissions can be either works in progress or previously published papers.

Best Master's Thesis Award
- Open to students currently enrolled in a master's degree program at any university worldwide, and those who have completed their master's degree within the past 12 months.
- Submissions can be either completed master's theses, graduate projects, or works in progress not yet graded.

Best Bachelor's Thesis Award
- Open to students currently enrolled in a bachelor's degree program, and those who have completed their bachelor's degree within the past 12 months.
- Submissions can be either completed bachelor's theses, undergraduate projects, or works in progress not yet graded.

Submission Requirements
- Your work uses SEC-API.io data.
- Submission language: English.
- The maximum length is 45 pages.

Scoring Criteria
- Originality, innovation and practical application.
- Relevance and impact.
- Clarity and quality of writing and presentation.

Submission Deadline
December 23, 2024, midnight EST

Award Announcement
January 31, 2025, via website and email.
