

Power Up Rhein-Ruhr: Consulting Edition

At E.ON Inhouse Consulting, we work at the forefront of the energy transition, turning ambitious ideas into real solutions.

We're looking for curious minds from the wider Rhein/Ruhr area who are eager to drive real change to join us at our Essen HQ for an exclusive recruiting event in our new Energy Club.

Take on an interactive case study, gain insights into our work, and connect with experienced consultants. To round off the evening, enjoy a fine dining experience where great conversations continue in a relaxed setting.

Join us on May 05th, 2025 in the E.ON Energy Club in Essen!

What to expect?

- **Authentic Insights:** Gain an exciting insight into current projects and challenges in the energy sector.
- **Networking:** Engage with our experienced consultants and connect with fellow students.
- **Career Perspectives:** Learn more about working as a consultant, our team, and the benefits we offer. We'll also provide valuable tips on how to apply and prepare for a case study.

What are you waiting for? Click [here](#) and apply by April 25th, 2025.

We look forward to meeting you!
